

THE TRADITIONAL FRENCH PRESS BRINGS INCONSISTENCY, UNPREDICTABILITY, AND REQUIRES ATTENTIVENESS. THE KONA FRENCH PRESS IS THE WORLD'S FIRST MECHANICALLY AUTOMATED FRENCH PRESS. DELIVERING A CONSISTENT BREW WITH AN ADJUSTABLE BREW TIME, THAT INCLUDES A SPRING LOADED, GEAR DRIVEN, AND AUTOMATED TIMING SYSTEM. FOR THE BEST QUALITY CUP OF COFFEE EACH AND EVERY TIME.

**ADJUSTABLE TIME**  
Timer allows for the user to set their preferred brewing time.

**SPRING LOADED AND GEAR DRIVEN**  
Spring's consistent force provides a perfect press, while the gearing limits winding

**LOCKING SAFETY FEATURES**  
Locking pin and locking arm prevents spills, ensures user safety, and any unnecessary movement

**BEAKER SUPPORT AND BASE**  
The beaker support allows for portability to take your Kona French Press anywhere. While the base is a center piece to display the Kona French Press in your home.
